- Description: (PROMOTIONAL TEXT) Staying organized can be difficult, but it does not have to be! Download FlexList to keep track of your day to day, in the way that works best for you. (END OF PROMOTIONAL TEXT) FlexList is a to-do list and productivity app designed to help you set up your day, your way. With FlexList, you can separate aspects of your life with multiple lists, monitor progress with fun meters, prioritize tasks, assign due dates and more! Keeping your life organized and productive is all made easy using this application.
 - Features and benefits
 - Progress Ring: Choose your color and featured lists to be shown in your progress meter. Continue to check off your tasks and watch the ring fill until you have completed all your items.
 - Priority Ranking: When adding in items choose the priority level of your tasks. High priority tasks will stay at the top of your list, mid priority in the middle and low priority at the bottom.
 - Multiple Lists: Includes the option to have multiple lists with different titles. This is perfect for separating between classes, organizations, shopping lists, chores and anything else.
 - Due Dates: Each new task has the option to input a due date and time. Use this feature to prioritize your tasks and keep track of when each time sensitive task is due.
 - Personalization: Our in app color picker, or your choice of hex code, personalize your app by changing the background and text colors.
