

App Name: Traditions Highway

Subtitle: Embrace the Detours

Description:

Designed with the traveler in mind, the Traditions Highway mobile app introduces travelers along Georgia State Route Highway 15 to points of interest via geolocation-based notifications. Regardless of their location on the 346 mile-long highway, users can create their travel itinerary based on the categories they find most interesting, including history, nature, dining, and attractions. Whether they are a foodie looking for top-rated local restaurants, or simply just passing through with no specific agenda, this app inspires users to embrace the detours on their next journey.

Features

- Geolocation based
- Push Notifications
- Favorite Locations
- Customizable Itinerary

Promotional Text:

Take your next road trip to a new level. With the Traditions Highway mobile app, you'll be introduced to the must-see sites around Highway 15 in real time as you drive!
